Dedication

Mr. Williams

We would like to honor Mr. Charles Williams in the 1987 yearbook for his 17 years of dedication to Weaver High School and its students. We're going to miss you.

Good Luck
Class of 1987

Our Parents

We would like to honor the parents of the Weaver High School class of 1987, without them none of this would have been possible. Thank you!

“What does being Captain of the Baseball Team mean to you? “It was an honor being elected captain of the Varsity Baseball team. As leader, I take on certain duties like running the practice when the coach is late and helping others work up to their potential. This year we will have a better season than last year.

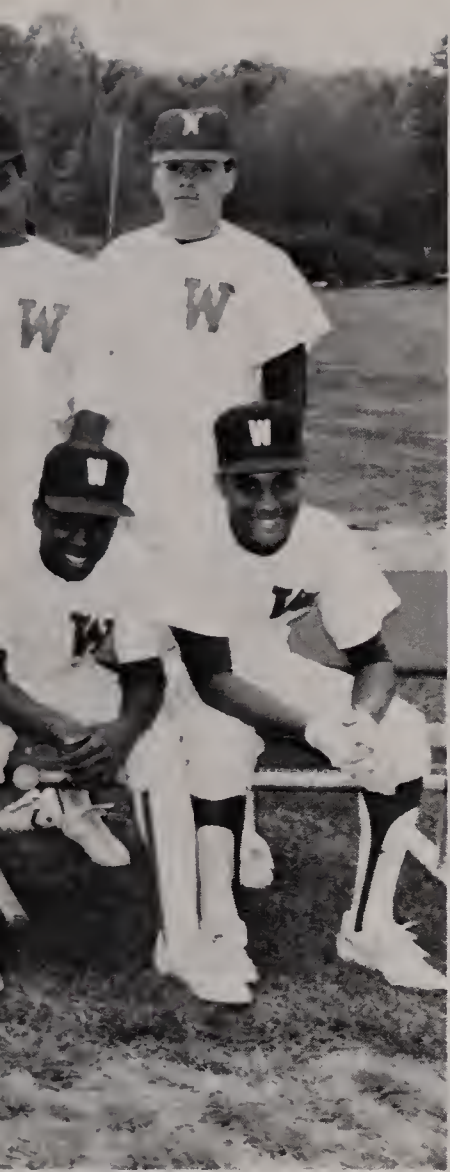

-Alfred Henderson, 7

Alfred “Nick” Henderson, captain of the Varsity Baseball Team, led the team in 5 wins during the season.

After Strenuous Practice Weaver Comes Out On Top Weaver Baseball Team Had Good Record

Mr. Deloretto coached the team for two years. The first year was putting the team together and the second year was the most productive. The most memorable moment was the Glastonbury game. It made everyone confident that they could do it. The most frustrating game was the Bulkely game. It was the last inning. The score was 3-2 with 2 outs, and bases were loaded. A pop fly was hit to infield between the players. They did not catch the ball and lost the chance to be in the city finals.

When asked for the

outlook for this year, Mr. Deloretto said, "It's going to be as good and even better. We are short on pitchers but hope to do well. Most of the team is back, and we'll have a good chance this year at the City Title."

The baseball team had an excellent season. When compared to last year the Coach said they had 1 win last year and 6 wins this year. They tied school records for wins. The team was recently made up of 10th and 11th graders. The seasons are always said to be tiresome but winning makes it prosperous. Alfred

(Nick) Henderson was the most improved player, and Ray Moore was most valuable player. The best game played this season was against Glastonbury. It was the first win in our new league. It made everyone notice that Weaver could be taken seriously. The score was 12-5. They played well and a lot of people were there. In that game Reggie Williams hit and fielded well and Juan "Freaky" Romero was a good pitcher. For the two years Mr. Deloretto coached the team.

Reggie Williams circles the bases after hitting a homerun.

Equal Effort From Everyone And Equal Participation Softball Team Comes Together

The season was 3-14. The season wasn't tiresome, it had inexperienced, players, no JV, and no build-up program from Fox Middle. The most improved player was Yinestra West. The best game played was against Hartford High

whom they defeated.

Te people who contributed the most were Yinestra West, who was pitcher, Wanda Aponte, hitter, and Kii Champion. Last season was the most improved since Weaver had a girls' softball team. Attitudes changed, and

they were well disciplined.

The most frustrating thing was not having enough players. Eleven players are needed on a team. The coach was very disappointed, but did her best anyway.

Wanda Aponte looks on as the next batter is about to hit.

With 2 Losses To Their Record. Weaver Girls Ended Up With A Successful Year.

"The girls started the season off slow, with an 0-6 record. But four weeks later into the season they were on a winning streak. Their record became 7 straight wins in a row, defeating one of the schools they had previously lost to. The girls ended the season with a 8-7 record and if all the girls are back next year, they will have a winning season."

Striving For Determination Weaver Ends On Top Of Pile.

Coach Butterfield said the team this season was undefeated. We were the city champs, won the CCCWest, and were Greater Hartford Champs. Thirteen men made the all league in the 85-86 season and eight men made the all state team. In the state championship Weaver won the State LL 4X400. Charley Norman won the 400 and he was a member of the state open 4X400. The record was 10-0.

The season was both prosperous and tiresome. It is tiresome for the coach because he had to coach all year. It was equally tiresome for the athletes because most of them ran all year.

Most improved athlete was Richard Hewitt and Alvin Waugh. The most valuable athlete was the Weaver track team. They all did an excellent job at the Greater Hartford Championship. The best meet was at the Greater

Hartford Invitation. There were seven awards given to Weaver. Peter Hendricus received most valuable athlete award. He won the 200 meters and was 2nd in the 100 meter. Charley Norman won the 400 metters and anchored the 4X400 meters. He received most valuable runner award. The outlook looks promising for this season because alot of athletes are returning.

Steve Mooving hands off baton to Richard in Meet against Windsor. The outcome, don't ask. Weaver always win.

Long Season Equal Effort We Did Better Than Expected

"The girls' program reached several of its goals. Becoming competitive was an important target and this was achieved considering in particular, excellent effort shown against the number four ranked team in the state. A second goal was stabil-

ity in defense, and, previous to injuries, our defense was second to none. This unit returns for '87. The third goal was the successful integration of talented freshmen and by the seasons' end, four were starters. A last goal was creation of

depth; strides were made in this area too.

We look forward to 1987 as our year where we will win or tie the many close games we lost. This team graduates no one and returns with a mission."

We Didn't Receive The Blessing We Needed But Our Desire Was Still Great.

"Weaver boys' soccer team in 1986 had a really tough time. Mainly because of inexperienced freshmen and ended the season with a result of 5-9. Whenever you're in a league with such soccer powers as Simsbury, Glastonbury, Hall, and Weathersfield, you have

to have experienced players. We had a few good players. In the midfield we had a few good players, the most powerful of the league, Star players like, Richard Nembhard, Paul Campbell, and Rhan Frickton. Hopefully next year these rookie players, with a year or two to

go, they will widen their belt, we will have a much better year next season. Although we have seniors Richard Nembhard (Burro), Paul Campbell (Papa), and Ian White (Groof), will be leaving us."

Injuries Cause Football Team To Have A Mediocre Season

"I expected better but it was a disappointing season. After the first three wins everybody goes their own way, they stopped playing as a team. The team's last year was better than this year. They would play like winners. This season

was my fifth year as head coach. We should have lost two games this past season, because there were only 2 dominant teams in our conference. I really hate to make predictions for next year, even though I have some excellent players coming

back. This is because of the 'C' rule that has conflicted with the size of the team in the past. But I'm hoping for a better year next season."

Weaver Cheerleaders "Got SPIRIT- Let's Hear It!"

Mrs. J. Chambers has been cheerleading advisor for approximately 12 years. The cheerleading team has 10 members right now, and plans are to have try-outs for a few new girls before basketball season. Their activities are continuing with jackets sale, and they will be participating in the homecoming activities

and pep rallies. Their new activities consist of going to Fox Middle School and recruiting a few incoming freshmen for next year's squad. Consideration is being given to having a few fundraisers within Weaver.

The characteristics Mrs. Chambers looks for are poise, personality,

ability, school spirit, and consideration for others. The best thing about being a cheerleader is "the anticipation of promoting school spirit, as well as presenting a positive image toward your peers and the community."

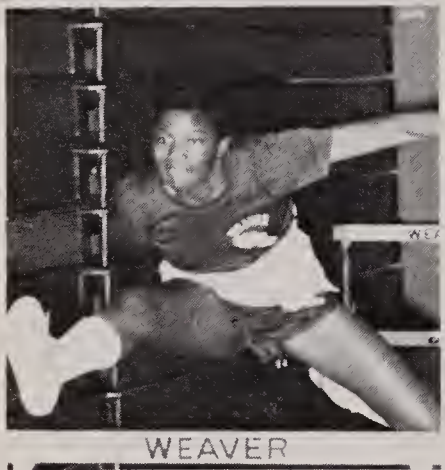

Mrs. Chambers

A Lack Of Experience Made Us Fall Behind

Inexperience was this year's biggest obstacle in Weaver's newest sports addition. Led by senior captains Paul Belliveau and Rufus James. This squad of all first year swimmers and divers

held their own. Along with trying to win; the team goals were to improve individual times while learning the sport of swimming.

Combining this year's experience and outstand-

ing accomplishments with 12 freshmen, 4 sophomores and 1 junior to return. Next year's team has a lot to look forward to.

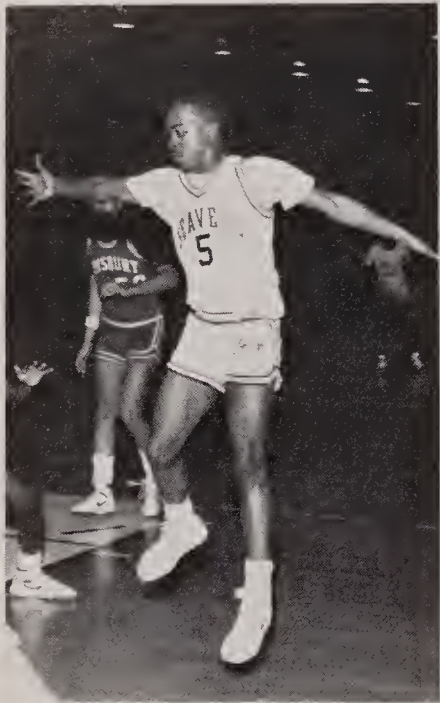

The Weaver High School's Swim Team takes a break during practice.

"We have a young team and Mr. Tolliver had faith in us and kept us together."
 - William "Spence" Jackson

William "Spence" Jackson rises to the occasion to help his team defeat Simsbury.

A Young Team Makes Their Way To The Top

"We're at the half way point of the season and what I thought would happen is happening and hopefully it will take us a very long way in the state tournaments.

First of all we are blessed with having some very young good basketball players at Weaver this season. Freshmen, Michael Williams, has been a welcome addition to our team and is our leading scorer and assists man, who has generated a lot of excitement at every game, he has played in. Sophomore, Herdol Chrisie, has been doing most of the strong arm

work under the basket and Junior Center, Marcus Smith, has been controlling the back boards and had a game high of 15 rebounds against Windsor High. The chemistry is starting to mix for our team, after starting out 1-4, now on a five game winning streak. but the glue to the whole team is William Jackson, who is a senior and handling the point guard position like I want it to be run.

I'm really hoping for a successful second half season, and to go much further in the state tournament this year."

-Coach Tolliver

Lionel Thompson hits the boards for another two points.

Coach Tolliver goes over an important play with this team.

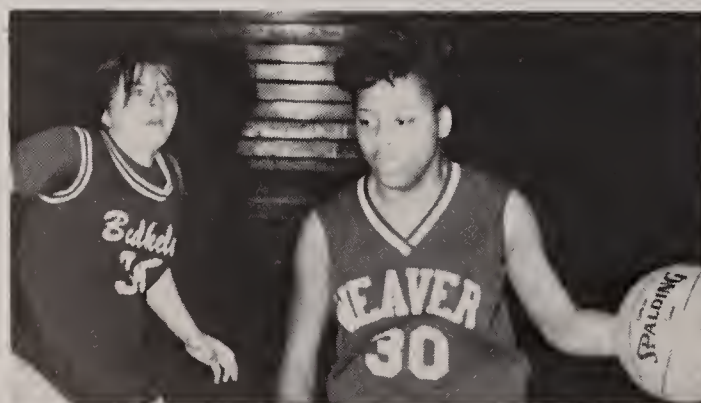

Back Row Left to Right: Yolanda Looney, Lachelle Hatten, Parthenia Kitchens, Janine Scott, Coach Daryl K. Brown

Front Row Left to Right: Tiffany Wilson, Mindy Redding, Sonseeray Hall, Lisa Streete, Iris Hodge.

"Plain and simple, I love basketball!"

Although we had a rough season, it did not kill our spirit for a better one next year.

Tiffany is just one of the girls who helps the team go far.

A Year Of Rebuilding

"The 1986-87 girls basketball team has been a year of rebuilding a team that graduated 7 seniors from a year ago. Prior to this season the starting line up at times, consisted of varsity players whom had no basketball experience; neither at the junior high or high school level. Nevertheless with sure determination and hard work the following years will be productive and rewarding to the players who continue to work hard."

As the captain of W.H.S. gymnastics, I feel like the mother of the team. I give them confidence to keep trying when they seem to fail, I lend a helping hand when it's needed, and I'm there to help the whole team through its ups and downs.

New Members Keep

Gymnastics Alive

For a few weeks it looked like 1987 was going to be the year without girls gymnastics at Weaver after 13 years of having a successful program. When Mr. Cunha took the team again after being away for 2 years, only a few girls decided to come out for the team and it looked like the sport was on its last legs.

But thanks to some efforts by coach Cunha,

Mrs. Lee in the physical education department and all of the freshman and sophomore home-room teachers, a team was found and we were once again on our way to rebuilding the sport with a group of enthusiastic newcomers and a few of the veterans.

The veterans were Tonya Threet, Winsome Murray and Elva Douglas. The newcomers are Zor-

aida Giolli, Tammy Cannon, Elizabeth Torres, and Ann Marie Allen.

The team is scoring below what it would like, averaging only in the 60's but a couple of years and some more newcomers along with some help from our physical education classes and Weaver will be back in the 90's and 100's where a Weaver team belongs.

Members of the gymnastics team show us what they can do.

Mr. Cunha talks to one of his team members.

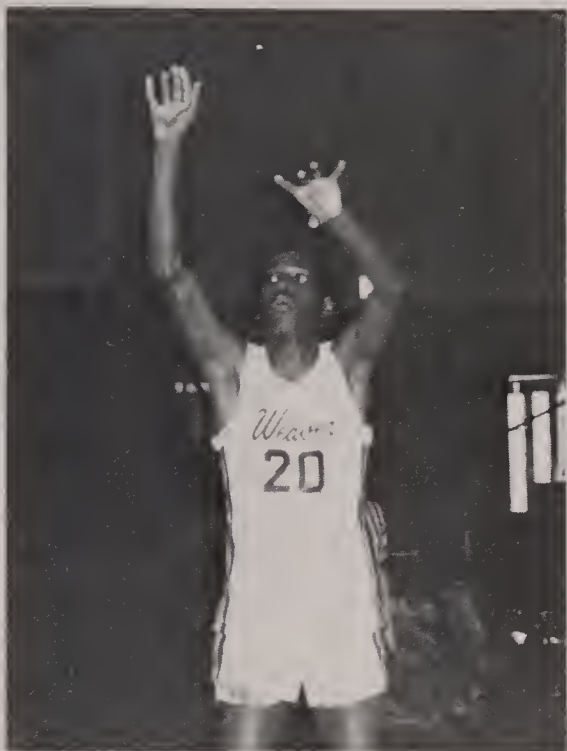

Wrestling

A Building Year . . .

"The 1986-87 season was a rebuilding one. Such wrestlers as freshmen, Paul Blackwood and Lloyd Browne are the building blocks of a new team. Weaver was not without its stand-outs, like captain Brent Jordon and Senior Raymond McFarlane; they became the glue that held the team together. The wrestling has been working with the Junior High students from Lewis Fox Middle School, introducing them into wrestling. With all this new and old power nothing can stop the **MEAN GREEN MACHINE.**"

Coach Milner

J.V. Basketball

A Winning Season . . .

The Weaver J.V.'s have an 8 win, two loss record up to this time. Important wins have been registered over Simsbury and Bulkeley. The Beavers only losses came by a total of 3 points.

Early in the season Mike Williams and Herdol Christie led the J.V. squad. Since their promotion to the varsity Deon and Leon Elmore, Mark Moore, Corey Durrant and Derek Todd have made outstanding contributions to the success of the team. When called upon Corey Crews, and Tim McMillian have also played well. During the last two games freshman Dwayne Bryant, Fred Smith, Ben Matthews, Lonnie Brooks have also helped the team.

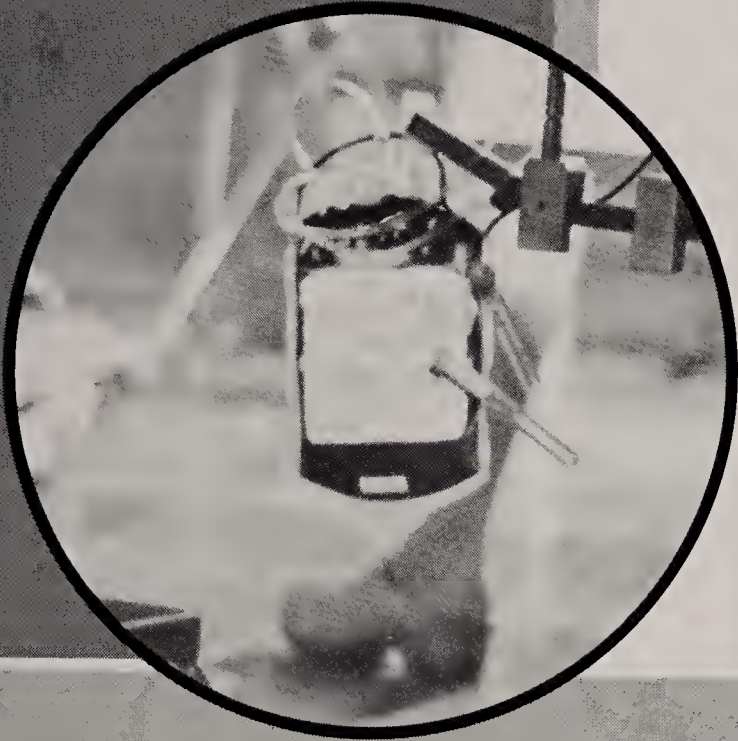

Standing: Coach Nate Adgers, Corey Carrant, Kwiwanas Thomas, Herdol Christie, Deon Elmore, Leon Elmore, Kenneth Freeman, Derek Todd.
Kneeling: Timothy McMillian, Corey Crews, Michael Williams, Mark Moore, Andre Ashley, Chan Williams-Bey.

When a great restaurant makes pizza, you get more than melted cheese on a crust.

Our gourmet kitchen prepares Northern Italian specialties using classic techniques and the finest quality ingredients – from crepes with veal stuffing to pasta with smoked salmon in creme sauce.

The same fine ingredients – like Vidalia Onions, Asiago Cheese and Baby Clams finished with sweet butter – make oven treats almost too good to be called pizza.

The Oakwood. A West Hartford tradition since 1930. Now that we're Italia, we're even better.
